

## Research and teaching grants

totaling >\$6 million (with Treves as lead PI for >\$3.4 million), 10 most recent below, for full list see [http://faculty.nelson.wisc.edu/treves/archive\\_BAS/funding.pdf](http://faculty.nelson.wisc.edu/treves/archive_BAS/funding.pdf)

1. \$54,892 (2025-2026) Blurred Lines: The Effect of Physical Barriers on Carnivore Movement, Ecology, Coexistence and conflict with People. UW-Madison Fall Competition, **PI Treves**
2. \$10,000 (2025) Chancellor's Distinguished Teaching Award for **Treves** (the University of Wisconsin-Madison's highest teaching award comes with base salary increase)
3. \$5,0000 (2024) Lisa Hoon legacy, **PI Treves**
4. \$15,000 (2024) Olseth Family Foundation, **PI Treves**
5. \$25,000 (2023) Derse Family Foundation, **PI Treves**
6. \$44,000 (2016–2024) Therese Foundation “Coexisting with Carnivores” **PI Treves**
7. \$7,000 (2022) The Organisation for Economic Co-operation and Development (OECD) Co-operative Research Programme: Sustainable Agriculture and Food Systems Fellowship in “Evidence-based policy and husbandry interventions for protecting livestock and biodiversity”, **PI Treves**
8. \$8,400 (2021) German federal government DAAD grant for a research stay at Leuphana University of Lüneburg and the Alfred Toepfer Academy for Nature Conservation in Lower Saxony, Germany for research and teaching, **PI Treves**
9. \$194,572 (2021-2023) Vilas Associate Award, **PI Treves**
10. \$25,000 (2021-2023) Vilas Life Cycle Professorship, **PI Treves**
11. \$34,661 (2020-2021) National Geographic Society “Range Riders and the Gold Standard for Predator Deterrence” Pls **Treves**, Louchouart, Englewood
12. \$15,000 (2022) Christine Stevens Wildlife Award from the Animal Welfare Institute “Carnivore Coexistence Colorado” **PI Treves**
13. \$13,500 (2020-2022) Summerlee Foundation “Carnivore Coexistence”, **PI Treves**
14. \$15,000 (2020-2021) Christine Stevens Wildlife Award from the Animal Welfare Institute “Range Riders and the Gold Standard for Predator Deterrence” **PI Louchouart, Treves**
15. \$94,450 (2019–2021) Bureau of Indian affairs award to Bad River Natural Resource Dept. sub award for MS research by A. Fergus, Pls **Treves**, Hill-Kasten
16. \$103,000 (2017–2023) Six private donors for “Carnivore Coexistence” (full names withheld for privacy but legitimate requests from scientific integrity bodies will be considered) **PI Treves**
17. \$151,443 (2018–2022) COLCIENCIAS Fellowship from the Government of Colombia for PhD research by Alexandra Alicia Pineda Guerrero, **PI Treves**
18. \$26,500 (2018–2019) Brooks Institute for Animal Rights Law and Policy for Standards of evidence and scientific integrity, **PI Treves**
19. \$25,000 (2018-2019) National Geographic Society Research & Exploration grant WW-244R-17 “Post-civil war Rwandan nature restoration: Akagera National Park before and after the reintroduction of the African lion, an apex predator.” **Pi Treves**, CO-PIS Bantlin, Uyizwe

20. \$13,100 (2018) Educational Innovation Grant for Online Course Development “Preserving Nature” PI **Treves**
21. \$48,850 (2017) Institute for International and Regional Studies Incubator grant “Socioeconomic and Ecological Dimensions of Restoring Akagera National Park, Rwanda” PIs **Treves**, Naughton
22. \$985,282 (2016–2020) National Science Foundation S-STEM “Together for the Planet 2.0: The Community Environmental Scholars Program” PIs Middlecamp, **Treves**, Beattie, Balster, Halverson—Treves served as the leader of the research sub-team
23. \$15,600 (2017) National Geographic Society “Bringing modern science to improve coexistence between pumas and people of the Araucaria Biosphere Reserve, Chile” PIs Ohrens, **Treves**, Bonacic
24. \$40,480 (2015-2016) U.S. Fish & Wildlife Service International Programs. Wildlife Without Borders Stakeholder engagement and training local verifiers of livestock predation: A project to reduce human-puma conflicts in Chile, PIs: **Treves**, Ohrens
25. \$80,000 (2012-2014) Sustainability Initiatives for Research & Education (SIRE) Appealing to students’ stomachs: Integrating food system sustainability into physical & biological science courses PIs Middlecamp, **Treves**, Gibbs (equal co-PIs)
26. \$18,000 (2015-2016) Northeast Wolf Coalition Measuring attitudes to large canids in the Northeastern USA. PI **Treves**
27. \$21,000 (2014–2015) Fulbright FLEX grant to Sweden (research / teaching), PI: **Treves**
28. \$95,000 (2014–2016) SESYNC (National Socio-Environmental Synthesis Center, from National Science Foundation pass-through grant) New tools to predict and prevent human-wildlife conflicts, PIs Carter, **Treves**, Gore
29. \$200,000 (2012-2014) Chile Fund: Agriculture & Livestock Service, Diagnóstico de la ecología poblacional del puma (Puma concolor) y medidas de solución al conflicto entre carnívoros y ganadería doméstica en la región de Tarapacá, Chile, PIs Bonacic, Ohrens, **Treves**
30. \$24,000, (2012) U.S. Fish & Wildlife Service, Human dimensions of lethal control and illegal take, PI **Treves**
31. \$125,000 (2010-2013) U.S. Fish & Wildlife Service & Wisconsin Department of Natural Resources, The influence of official lethal control on illegal take in gray wolves, PIs **Treves**, MacFarland
32. \$11,000 (2013) Pontificia Catolica University, Santiago, Chile, Puma conflicts with people, PIs Bonacic, **Treves**
33. \$10,800 (2012) Fulbright Senior Specialist Program Balancing carnivore conservation with human needs, PI **Treves**
34. \$40,000 (2012) Global Health Initiative, Evaluation of alternative strategies for emerging disease detection, PI **Treves**
35. \$49,900 (2010–2012) Disney Worldwide Conservation Fund, Community engagement, parabiologist training and Andean bear conservation around Sangay, Ecuador, PIs **Treves**, Zug, Schloegel
36. \$32,477 (2009–2011) U.S. Fish & Wildlife Service International Programs, Community engagement & training parabiologists, Sangay N.P. Ecuador, PI **Treves**

37. \$700,000 (2007–2011) U.S. Agency for International Development and the Wildlife Conservation Society (joint support, 4 renewals), Linking Natural Resources, Economic Growth, and Good Governance, Pls Naughton, Turner, Brown, **Treves**
38. \$9,000 (2010) Fulbright Senior Specialist Program, Understanding and managing human-carnivore conflicts (Ecuador) PI **Treves**
39. \$15,150 (2010–2011) Berryman Institute East and USDA, Relating American black bear nuisance complaints and property damage to Wisconsin management effort and harvest locations, Pls **Treves**, Macfarland
40. \$5,500 (2010–2011) Berryman Institute East and USDA, Farmers, deer, and predators in mixed-use landscapes, Pls: **Treves**, Drake
41. \$9,345 (2009) Indo-US Science and Technology Forum, Training Indian leaders in human dimensions of wildlife conservation (short course in India), Pls **Treves**, Kumar
42. \$10,000 (2010–2011), Derse Foundation (renewal), Mitigating human-wolf conflict in the Lake Superior region, Treves
43. \$10,000 (2009–2010) , Derse Foundation, Mitigating human-wolf conflict in the Lake Superior region, Treves
44. \$700,000 (\$48,558 to Treves 2007-2010), TRANSLINKS: US Agency for International Development and the Wildlife Conservation Society (joint support, 4 renewals), Linking Natural Resources, Economic Growth, and Good Governance, Naughton
45. \$3,500 (2009), Berryman Institute East (USDA), Wolf policy in Wisconsin, Treves
46. \$26,000 (2008), National Park Service, Large carnivore monitoring, Treves
47. \$11,700 (2006–2008), International Bear Association & Pittsburgh Zoo (joint support), Conservation of spectacled bears and their cloud forest & paramo habitat in Ecuador, Treves
48. \$93,500 (\$12,500 to Treves 2006–2008), Bosack Kruger, Evjue, & Walker Foundations and COEX (joint support), Wildlife Friendly Enterprise, Holden
49. \$25,000 (2006–2007), Y2Y Conservation Initiative & Wilburforce Foundation (joint support), Public opinion of grizzly bear and wolf management options prior to delisting in the Greater Yellowstone, Treves
50. \$6,500 (2005–2006), Wildlife Conservation Society & LaFarge International (joint support), Transfrontier conservation, D.R. Congo and Uganda, Treves
51. \$41,000 (\$20,000 to Treves 2000–2004), Wildlife Conservation Society (four renewals), Mitigating human-wolf conflict, Lake Superior region, Naughton
52. \$24,000 (\$10,000 to Treves 2000–2001), UW System Applied Research Grant, Mitigating human-wolf conflict in the Lake Superior region, Naughton
53. \$15,000 (\$5,000 to Treves 2003), Environmental Defense, Mitigating human-wolf conflict, Lake Superior region, Naughton
54. \$55,100 (2003-2004), National Fish & Wildlife Foundation, Mitigating human-wolf conflict, Lake Superior region, Treves
55. \$127,000 (2000–2002), Center for Applied Biodiversity Science of Conservation International (three renewals), Human Dimensions of biodiversity conservation, Treves
56. \$4,500, Fauna & Flora International, Ecotourism impacts on the endangered black howlers, Treves

57. \$29,250 (1999), Wildlife Conservation Society & National Geographic Society (joint support), Ecotourism impacts on the endangered black howlers, Treves
58. \$50,400 (1991–1996), NSF Graduate Fellowship, Primate behavioral ecology and human evolution, Treves
59. \$10,170 (1989–1992), Leakey Fund, Mellon Foundation, Goliard Fund & Ford Foundation (joint support), Primate behavioral ecology and human evolution, Treves
